

PETER STONE BROWN

March 11, 1999

Dear Arlen,

All I can say is I wish I had known.

I can't imagine the devastation you must be feeling.

I e-mailed Tony about this and he too had no idea. He wrote back that he was stunned, shocked and very upset. I think he feels weird about contacting you now because it's been so long. I sent him your address and told him I felt it would mean a lot to you if he wrote you.

Words cannot express how sorry I am about this, and that I wasn't around to help you in any way I could.

We also suffered a loss last year though nothing like yours, but my Dad passed away last summer.

Once again, I am completely shocked.

Words seem so empty now, but my heart goes out to you in every way.

Take care!
